

LabradorHusky Pups (ne phila)

Location **Delaware**
<https://www.genclassifieds.com/x-375319-z>

Gorgeous, 10 week old, 2 black males, 1 black female puppy left. First shots, plus bordetella and wormed. Happy, healthy, socialized with dogs, cats and kids. Please, only respond if you are prepared to give a puppy a forever, loving home. Price of \$150 is firm. I will only be responding to phone calls or texts and I will not be checking emails. Call

if you need further information or to schedule a day and time to come by. These are the only pictures I have. As they are adopted, I will update the post. I live in NE Philadelphia. You must come and meet them at my house, I cannot deliver. The last picture of the single pup is the.
