

Chihuahua (middletown)

Location

Delaware<https://www.genclassifieds.com/x-375334-z>

Avail through Peace, Love & Doggie Paws Rescue. www.pldpaws.org for adoption process and fees. Sweet Kissie, female. shy & nervous, would do better in a quieter home, but she loves my 10 month old grandson when he visits - I just don't think she could handle the noise and split the attention all of the time.
