Actively looking for a female (preferably) English Bulldog puppy, 6mos or younger, to add to our family. We have a 4yr old female Chi, who we've had since she was 3mos old, along with 3 kids ages 12, 10, and 8. My husband is military, but I am a stay at home mom, so have plenty of time to devote to a puppy. We have a fenced in backyard, as well as a quiet neighborhood in order to have daily walks and plenty of exercise. The puppy is solely for "family pet" purposes, not to be a show dog, so bloodlines and all of that means nothing to us as long as the puppy is healthy. If you think you may have something for us, please feel free to send me an email or text with information, pictures, and your rehoming fee. Don't have a puppy that we're looking for, but know someone/place that does? Please shoot me a msg pointing me in their direction!

FYI: So many scammers out there....do not bother contacting me if you do not live in NJ or a surrounding state within decent driving distance, no money will be exchanged until I see the puppy and any available paperwork in
