I am an attractive black male, early 40s, looking for a female roommate only to share my large 2 Bdrm apartment in Amelia beginning April 2015. You must be employed and able to pay rent. I will not permit anyone else to stay in your room. The rent will be $450/ month which includes utilities. You will need to pay first months rent to move in. There will be no credit/background check but you will need to prove steady income. You will be on a month to month basis. All terms will be discussed before move in. Your furniture is welcome as long as it is in good condition. No pets at this time but possibly later. Please send a description of your job and situation. Please include a picture of yourself. I will send my direct contact info and some photos of the apartment and myself when I reply. Thank!
