Good morning. Looking to hire a temporary Personal assistant to help me revamp some of my small business needs.including re branding ,helping with some website and social media organization and basically getting me organized again..Im a small business owner, Male and trying to juggle my time with building a small business, running another business gym etc....Really need someone that can help.

Prefer someone that is updated on social media and has experience with alittle marketing..You will be assisting me with hiring process of new employees as well ...Im very laid back , ex pro athlete not use to this stress that has built up ..I prefer a female that wants / needs to make some extra cash right away..Very generous and will pay each day..Looking for about 3 to 4 hours a day on a part time basis...Thank you !!!! Please reply with a contact number and name and I will be in touch right away....thank you for taking the time to read this and considering the.
