If you're a young woman who's very pregnant (at least 5 months or more) and showing a nice big belly I'd like to take you shopping for the new baby. I know being pregnant can be expensive and you have so many more things you need for the new arrival. Or perhaps you'd rather have a nice big donation (two to three hundred) to cover some bills or to spend as you choose. Your choice! I find pregnant young women so very sexy. In return for my generosity you'd be agreeable to spending an enjoyable intimate afternoon & evening with me (eight hours max). You must be affectionate, friendly and love to cuddle.

I'm an older white male 5'9", sixties, average body, brown hair, blue eyes, professional.

If this is something you'd consider doing let's chat and we can discuss the details. Tell me all about yourself including name, age, height and weight and how many months pregnant you are. Include a few photos showing face and full body plus some showing your uncovered belly.

Due to the number of fakes and spammers on Craigslist you must make a hand written sign that say Hi Mr G, I'm PG and hold it while you take several photos to send me so I know you're real.

Put I'm very PG and willing in subject line of your response. Include your email address in your reply.
