This ad has been successful so far. I've submitted a few already to various clients and am looking for more submissions.

Professional photographer seeks one or two busty, well-toned female models for photo shoot(s) for portfolio work.

I am looking for models for Bikini shots.

These will be for half or full-day shoots, and to experiment with new lighting equipment and techniques.

Compensation is negotiable. You'll get a DVD of all the shots, including the touched-up ones. You have full rights to your images to do with as you please. This is covered in a model release.

Please send me a bit of information about yourself (description, age, and a current photo).

Please respond only if you are.
