Due to changing work schedules, we are looking to rehome our sweet Lhasa Apso / Samoyed mix puppy. He is almost 11 months old. He is incredibly cute and sweet. Loves attention. We want him to go to a good, loving home. He becomes attached to his family and takes a minute to warm up to strangers. Great with kids and other animals. He is kennel trained and sleeps in his kennel every night. He is well mannered and quiet. Never barks, whines, or howls. He is fully vaccinated, microchipped, and neutered. He also has his rabies shot. He will come with all of his records, leash, collar, treats, and black metal kennel. We are asking a \$450 rehoming.
