Do you have any idea who DAVID DUKE is???

This asshole was the Grand Imperial Wizard of the KKK. Read this.....

(From ADL. com)

David Duke, perhaps America's most well-known racist and anti-Semite, promotes anti-Semitic and white supremacist views as the leader of the white supremacist European American Unity and Rights Organization, as a writer of anti-Semitic tracts, and, in recent years, as an international figure who has promoted his anti-Jewish ideology in Europe and the Middle East, devoting particular attention to Russia and the Ukraine.

Duke has been active in the white supremacy movement for over 40 years. In the last two decades, he has tried to position himself as a new "respectable racist." He pioneered the now common effort on the far right to camouflage racist ideas in hot-button issues like affirmative action and immigration, successfully appealing to race and class resentments. He was instrumental in the Klan resurgence of the 1970s and was one of the first neo-Nazi and Klan leaders to stop the use of Nazi and Klan regalia and ritual, as well as other traditional displays of race hatred, and to cultivate media attention. Duke continues to write articles and books, to convene conferences, and to speak publicly for the purposes of demonizing Jews and other minorities.
