Wouldn't you rather take your future into your own hands? You already have an open mindset, you found this ad. Let's take this, and build a business that will sustain you financially, forever...while working from home.

I am looking to mentor sharp people to help us expand in the growing health & wellness industry where we don't have enough people on the ground. You have to be serious and be able to make good decisions. If you are looking to change careers, looking for a Plan "B" or want some additional side income, let me train you.

Requirements: Positive attitude. Internet & phone.

Please provide me your phone number, e-mail and the best time to call.

Warmest Regards,
