We are a residential remodeling and real estate investing company whom at times throughout the year needs a few extra hands. Pay commensurate on skill set. $8 an hour for general labor help up to $20 an hour for skilled construction craftsman. Anything from yard clean up, house clean up, paint prep, siding repair, deck building, etc etc. Must have own transportation. If you would like to work this week as well as get on our laborer/craftsman list, please send me a text with your skill set and your contact info as well as your availability. I will not respond to people whom ask what kind of work it is or what's the pay or any other question that can be answered by reading the post.
