This stylish 1 bedroom unit in Uptown is available now. The 6th floor unit features a contemporary kitchen with new stainless steel appliances and granite counter tops, a spacious bathroom with a soaker tub, huge closets, in-unit laundry, balcony overlooking the Greenway, and \*\*\*FREE\*\*\* heated underground parking.

Track 29 is a well managed building with on site maintenance and concierge. The building features an awesome dog park, indoor swimming pool, gym, and a beautiful rooftop terrace with fabulous views of Downtown. Easy access to the Greenway and the Lakes and all that Uptown has to offer.

I am actively seeking someone to take over my lease until November 30th. I will cover the cost of your heated underground parking for the duration of the lease.

You will be the genuine 'owner' of the lease, not a temporary subletter under my name.

I would be happy to show you the unit and give you a tour of the property. Please contact me for a showing.
