This two bedroom unit at the Christmas Mountain Village resort can sleep 6 easily. Full kitchen and full bath. Christmas Mountain Village has a golf course, four pools (including a small indoor waterpark), and much more. See resort details at www.christmasmountainvillage.com Full 7 nights for a total price of \$549 (about \$79 per night average). A \$80 housekeeping fee must also be paid at the resort, which raises the overall price. Price includes all other taxes and fees. There are no hidden mandatory charges aside from housekeeping. No timeshare tour is required (you are my guest). No pets, no smoking in unit, one parking spot provided, and a refundable security deposit required at checkin. 4pm checkin and 10am checkout. Must be someone in your group at least 21 years old.

I can get reservations at dozens of resorts across the US, any time of year. If you want me to check other dates or locations, just let me know. The earlier you make requests, the greater the availability.

I can provide references (I have rented hundreds of vacations) and accept any form of payment other than cash (credit cards via PayPal).
