We are looking for a young professional or grad student, preferably female, to share our beautiful Nokomis neighborhood home with. The move in date may be flexible, but April 1st is what we're shooting for. We are a fun loving, low key gang (not big partiers, and would prefer the same) that enjoys being active throughout the year, cooking, movie nights, and the occasional game night! Please send us a bit about yourself, and what you're looking for in potential roommates.

About the house: Great living space, with two family rooms, an open kitchen layout, and basement for storage. Spacious master bedroom is all yours. We also have a lovely little backyard, with room to garden if you so desire! We also have a spot in the garage opening up with the room availability, but have street parking available too.

The house is centrally located within the Twin Cities- just south of downtown and U of M campus (5-10 minutes max depending on traffic), and just across the bridge from St. Paul and the St. Thomas campus. Only a 3 block walk to the light rail, and 4 blocks to Lake Nokomis and the Minnehaha Falls Park and trail system! There are tons of new restaurants and breweries in the area as well, including the Tiny Diner, Northbound, and the Pilgrimage Cafe. Just a short drive to Lake Harriet and Calhoun to boot!
