I found a homeless pregnant cat last winter behind my new home, no animal shelter wanted her and I didn't have the heart to leave her to freeze outside. So I adopted her temporarily. On Valentine's Day she had 5 black and white beautiful kitties. They are as friendly, playful and loving as Cupid himself. They are trained to use litter box. They are 2 months old and in perfect health. I prefer to find loving homes for them than taking them to a shelter. I appreciate your help. Please text me at
