LOOKING FOR PERSONAL TRAINER (PLYMOUTH)

I am looking for a person with great personality, good sense of humor and has the work ethic to get me into shape. I desperately need someone who will kick my ass into shape, I have a gym at my apartment and would like someone who is willing to travel and spend the needed time with me to help my goal. Im pretty serious about this. I am looking for someone who is around 25-45 and takes good care of themselves. Im willing to pay for results. Please send recent picture of yourself and why you are a good?
