

deck builderlaborer (western suburbs)

Location

Minnesota<https://www.genclassifieds.com/x-375731-z>

Looking for a laborer position immediate opening start monday . Must know how to read a tape, use power tools / air tools. Must have tool pouches w/ hammer, speed square, tape measure, carpenter knife. Prior deck construction and or framing experience a plus. I'm willing to hire full time year round if it works out. All levels of framers are encouraged to respond as well. Must have dependable transportation. No text messages please if you want a job call Thanks.
