

Relax and know that your home has been cleaned to your expectations: Weekly, bi-weekly, monthly or as needed. Call today for a customized estimate.

Of course this is a basic cleaning guideline, yet every customer may have different needs. Customers are encouraged to make a check list of special requests or extra attention to certain areas. A priority list is helpful to those with a limited budget. Please consider extra time for refrigerator & oven cleanings during a regular cleaning.

Apartment, Condominiums & Townhomes [moved-in or moved-out cleanings]

[We will clean from top-to-bottom: including the insides of cabinets, closets & appliances.
