N-Style Painting and Design Inc.

Over the years of being in business, we have developed 12 standard procedures to ensure the highest quality in workmanship and to ensure 100% customer satisfaction with our exterior painting.

We take great pride in our unmatched quality and attention to detail. By following these 12 procedures,

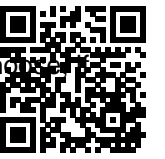

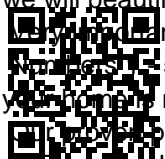

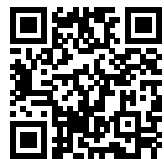

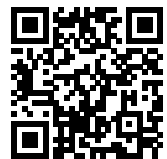

we will beautify your home and maintain your investment for years to come.

1. Remove shutters, address numbers, and anything else that does not get painted.  
 2. Power-wash house with bleach to mitigate mold and mildew, oxidation, loose paint, dirt or grime.  
 3. Hand scrape any other loose paint.  
 4. Prime all bare wood with a primer.

5. Paint the surface with EXTERIOR PAINT. No matter what paint you choose, if it is not properly applied, it will not last.  
 6. Follow the process of the paint manufacturer's instructions.

7. Remove all debris and clean up the area.  
 8. Inspect the work and ensure all areas are covered.  
 9. Provide the customer with a copy of the work order and invoice.  
 10. Follow up with the customer after a week to ensure satisfaction.
