N-Style Painting and Design Inc. Mission Statement

QUALITY

The quality of only top of the line paints, primers, and sundries.

The quality of accurate and detailed estimates to prevent being charged for unnecessary work.

The quality of having a professional contractor with all the necessary and safe equipment

The quality of projects only being performed by experienced and trained craftsman

The quality of every project being supervised by an experienced and trained foreman or production manager

RELIABILITY

The reliability of always having your phone call returned.

The comfort of knowing that all Painting Company employees are criminally background checked.

The comfort of being treated with respect at all times

The comfort of being able to communicate (in English) with the crew

The comfort of working with a company that obeys immigration laws

The comfort of knowing that the only way the price will change is if you add work to the project

The comfort of knowing that if a mistake is made it will be corrected quickly and without confrontation

N-Style Painting provides the following:

Helping you maintain your commercial, industrial and/or residential real estate. As a property manager your job is difficult enough without having to deal with contractors who do not perform. We pride ourselves on one simple motto "We do what we say we are going to do." All of our estimates will be performed and back to you within 72 hours or less and once we quote a price that is what it well be.
