We're an original Roots/Blues/Swing/Surf/old R&R/old R&B band that gigs 5-10 times a month [PAYING gigs] Mainly local - but some light regional travel.

Please don't reply if you're not into this kind of music.

Looking for a Tenor/Bari player that can cop sections as well as solo. We need King Curtis/Jr Walker - not John Coltrane/Ornette Coleman.

We're 30ish and prefer you be under 40ish [shallow, I know.... but "image" is kind of important to us] Please don't be a drunk and/or douchebag and you'll have a lot of fun playing great music with groovy bandmates and make some good scratch doing it.

Please respond w/ music samples and any other info about yourself.!
