Martinique Terrace offers outstanding one, two and three bedroom garden apartment homes. Each has been recently updated with contemporary oak cabinets, new counter tops, fixtures and energy-saving appliances.

One Bedroom + Den or Two Bedroom = Your Choice! The St. Pierre apartment home includes 1000 sq ft of space, with a living room larger than you've ever seen before! There is even room for a huge sectional, media cabinet or even your home office! Cooks will love the energy-and-time-saving kitchen with adjacent dining room, overlooking the private patio or balcony. Both bedrooms include wall-to-wall closets and your king-size master suite has mirrored closet doors. Doing laundry is a snap as your utility room has space for your full-size washer/dryer. Don't have a washer/dryer -- not a problem as we can provide a set for you. Martinique Terrace is a pet free community.
