

## Looking for a cameraman with camera (Maui)

Location **Hawaii**  
<https://www.genclassifieds.com/x-375980-z>

Aloha , I am from L.A family in the movie business for over 80 years . I want to start up a show in Maui with all the things I do .

Realtor  
Interior designer  
Hair dresser  
Chef  
Organizer  
Recycler

I can't pay right now anything but can keep track of hours and will be paid when show gets picked up. Or I can trade my services for hair, food . I also want someone if possible that knows how to edit the video and get it ready for the show. Of course will be paid extra per extra job. I want to start by going to some of the great places in Maui Twin falls ect. This will also be fun too! I thought might be funny if I talk to camera man? Who knows just want to do something I love !! Thanks for the intrest and have a great!!!
