### WHAT YOU NEED TO KNOW:

We are a professional and discrete female/male owned boutique companion/escort service looking for elite females between the ages of 19-35 to join our exclusive team.

We are looking for truly special ladies with the personality, wit, and positive approach to match their exquisite beauty. Certain attributes and experiences are required HOWEVER we are willing to train those who are genuinely eager to learn the art of companionship and who are comfortable meeting, conversing, and interacting with upscale clients.

We prefer girls with no visible or excessive tattoos or piercings, no unusual hair color or style, and an ability to dress appropriately for various environments as our clients are interested in not only private rendezvous but in some case's you will be accompanying them to public and professional engagements.

Hiring Preference is given to all around attractive fit ladies, students, college graduates and/or models pursuing a career.

We also welcome experienced companions with stellar reviews and an ability to adapt to high standards.

Our service is run by professionals for professionals, and was founded under the concept of a radically different approach with respect to screening and management of our entire team. Our core principles: Respect, Integrity, Intelligence, Empowerment, and Discretion. We offer our clients the utmost in privacy, discretion, and dignity, while simultaneously providing an overall professional work environment. We work with each client to accommodate their specific needs and schedule. We offer amazing work times for financial growth and success, but we will never compromise safety or your personal ambition or goals.

Each potential client is rigorously, aggressively, and professionally screened. We do NOT engage in late night requests or other potentially dangerous situations. Our marketing approach utilizes upscale websites in order to position you in the industry as an Elite Companion. A professional photo shoot will be arranged with one of the
