

Housekeeper amp Gardener (North Shore Oahu)

Location **Hawaii**
<https://www.genclassifieds.com/x-375989-z>

We are looking for an experienced person to do some house cleaning, and help maintain a organic vegetable garden and take care of tropical plants and do miscellaneous chores as needed.

The job would requires you to come three times a week (M-W-F) for approx 4-6 hours each day. If the fit, desire and drive is right more hours and opportunities may be available at a later date.

Prefer someone who lives on the North Shore and who has their own transportation or someone who lives up in Pupukea and is able to walk to work.

This job is for someone who is fit with ample energy to get the job done and enjoys working outdoors being around animals and plants and who has a green thumb.

Duties would include general cleaning of a 2 BR house and a small guest house to include kitchen, bathrooms, and lanai, occasional window and screen cleaning and miscellaneous chores as needed.

Other duties include everything involved in growing and maintaining a organic vegetable garden grown in raised beds and taking care of indoor & outdoor tropical plants.

****Some organic gardening & housekeeping experience required.*****

Must be drug free, cheerful & honest, detail oriented, dog friendly, dependable & reliable. All cleaning supplies and equipment is provided. The work place is a peaceful, drug & smoke free environment.

We will share fruits and vegetables grown on the property with you or provide a space for you to grow your own small garden if you like.

Speaking fluent English not necessary, require basic math skills you can do simple algebra and basic trigonometry.

If interested please reply with a phone number or email info about yourself and please include any relevant experience or portfolio also send
