Are you a bored stay at home mom, college student or just someone who could use a few extra \$\$\$, I am a mature business professional who would love to help you or at least help you go shopping a bit more that you can now:). No woman should not have the outfits they desire, right?

Yes this is a real ad as it's Sunday and raining all day. I am looking for a lovely lady to help me around my home for domestic chores, duties bust mostly adult fun. Looking for some assistance once or twice a week and on some weekends if available. I would of course prefer you to be open minded, very high desire to please and someone who just loves to enjoy life, have fun and enjoys being pampered and pleased.

I work a lot so you will be helping me with much to relieve some of the daily stressors in life and I will be helping you with some extra spending money.

I am an athletic, mid 40's male and won't disappoint with my looks who loves to enjoy life and spend time with fun people. Please respond with "Household Help" as your subject heading so I know you are real. Looking forward to hearing from you and looking for this position to start immediately. Would love to schedule an interview this weekend if possible?

Anxious to meet all serious interested parties, position starts!!
