===== Get into Real Estate Investing and EARN while you LEARN =====

Have you always dreamed of getting into real estate but haven't known where to start? Now is your chance! I work with a local and nationwide group of real estate investors. We offer the best real estate education there is out there! And will even pay you while you learn. Great for beginner or experienced investors! Our program provides comprehensive online classes, study groups, workshops, mentors, and team members.

WHO WE ARE:

We are one of the largest Real Estate Investing communities in Chicagoland and are affiliated with other groups all over the United States.

WHO WE ARE NOT:

We are not those people you see on late night TV commercials that are there to only sell you their books and CD's. Those people will not support you in anything you do or answer any of your questions without trying to upsell you something else.

## WHY YOU SHOULD CARE:

You will have access to and the benefits of education, training, coaching, and mentoring online & live at local offices, events, and weekly workshops sponsored by industry leaders and community members

nationwide. We work with everyone in our real estate investor training program and are here to help you successfully build your investment portfolio. They are not just looking to teach you the investing strategy, they are 20 years old and are never a valuable or advanced. A few of our services are: Finding Properties, Finding Deals, Fix & Lease, Rentals, Wholesale, Buy & Hold, Flip, and Flip Houses, Commercial Multi-Family, Local Sales, Private Sales, Marketing, Subject To, Private Money, Real Estate Plan Real Estate Funding, Seller Financed Notes.
