

2 year old Bichon Frise Female (Woolmarket)

Location **Mississippi**
<https://www.genclassifieds.com/x-376114-z>

I have a 2 year old Bichon female named Cotton that I am looking for a home for. She is very loving and need to be with someone who can spend a lot of time with! She likes to be with people all the time. She is great with cats but does better in a one dog family. She is spade and up to date with shots and heart worm preventative . 228 2nine7
