I am looking for a 2-3 bedroom place to call home in the 800 range. My grown son and I and 2 Chihuahua's and one goofy heeler mix. We came by the two little guys following a very tragic and sad death in the family and truly cannot give them up. They are very good dogs and make no mess. We are fully employed, have references have credible co-signers if necessary. We are quiet, clean and are looking for a place to call home. We cook, camp, bike ride, don't drink, ...we really are pretty much awesome people with good values and good hearts. I know to potential landlords that doesn't always matter.....but I am hoping that so someone.....it does.

A yard for gardening, bbq'ing and gathering with our family would be ideal. We really are looking for a miracle and hope someone will take a chance on us as we will be the ideal tenants. Thanks for your time and I look forward to hearing from.
