Ideal situation for a guy leaving a relationship and getting on with it. We are looking to rent 2 of our 3 extra rooms in a large, executive home. Fully furnished, all utilities included plus basic cable and WIFI. Your choice on which room you'd prefer. Room one shares the laundry room (we will need access to the room during the day) with a private bath for 450.00 per month. Room two is completely private with a private bath for 500.00 per month. \$100.00 NON refundable cleaning deposit. Must be a Gay male, ideally employed outside the house Monday through Friday 8am to 5pm or somewhat close to those hours. Please be a mature 30+ years of age, clean with the desire to reside in a very tidy, and comfortable home. We have a nice outdoor hot tub, a large private backyard, a billiards room/pool table etc. Located 10 to 15 minutes to downtown. No pets please, we already have a cat that rules the house, friendly to humans, but not so much with other animals! Contact Sam at 208-866-.
