Looking for a sheetrock finisher for a home approx 1500 Sq ft in wiggins. I'm not looking for a handyman that can half way do it. If your not professional at finishing sheetrock please don't waste my time or yours. I have all materials just need your skill and labor. If you are reading this the job is still available. Can start asap so long as price is right. I have a 2006 fema camper I may be willing to trade or of coarse cash. Call or text steven at
