

We are hiring 2 more movers tomorrow (13 USD)

Location **Missouri**
<https://www.genclassifieds.com/x-376424-z>

We are hiring again for 2 more PERMANENT part time movers, you do not have to own a car, but just be able to meet the driver at Manchester Road near Hwy 141 on the Manchester MO Walmart store parking lot (there is a bus stop right across the street on Manchester Rd).

Must have jeans, work boots and a black or dark blue shirt with NO writing or graphics - we will provide a company shirt later. There is NO smoking allowed while on the clock and you MUST be strong and in shape because we work fast and move HEAVY furniture in teams (absolutely NO wimps/weaklings - do NOT waste our time)!

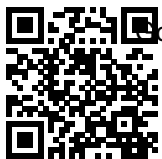

So if you can:

- * Be at the above location at 9:00 am ON TIME!
- * Have clean jeans and work boots (we'll provide company shirt later)
- * Clean cut/presentable appearance
- * Ability to lift HEAVY furniture working with your driver
- * (NOT REQUIRED) But if you have a clean driving record and experience/comfortable driving larger trucks - we eventually will be promoting a mover to a driver position.

If this describes you, then email me your name, phone #, and any experience you have OR at least why you think you can do this job (I do NOT need your resume, references, lies, blah blah blah, we're movers - just be able to move heavy/big furniture with our driver SAFELY)!

I will personally start call backs in the order that I receive your emails until I fill these jobs.

And YES, you will be paid \$13 an hour with a 3 hour daily minimum (guaranteed) and you can be paid by check at the end of each week or by cash at the end of each day - your choice!
