

Expert photo retouching (Photoshop) (St. Louis)

Location **Missouri**
<https://www.genclassifieds.com/x-376429-z>

Hi.

I'm in need of some retouching work. I have several shots of an item I need color-corrected. I'm looking for a professional who has a couple of hours to spare, not just anyone who tinkers around with Photoshop. I've been working in this field for 10+ years and I'm looking for someone with better skills than I have... otherwise I'd be doing this myself. ;-)

Thanks!
