Completely Renovated House on the Dearborn River "Life is Good Lodge" 30 miles to the Great Falls Airport and 9 miles to Craig)

The back yard views across the Dearborn River have outstanding rock views on 600 acres of private hunting land, a short float from the Missouri River or Craig, Montana. Wade your own private spot without access by other fishers for catch and release fly fishing or set the canoe or kayak in and float to Cascade. The nearby dam has excellent edible fish fed by shrimp so that the steaks are pink.

All the comforts of home including satellite television, a land line telephone, pool table, and two bedrooms have extra long twin beds or a king bed. The third bedroom has a bunk bed, twin on top and double on the bottom. The fourth bedroom has it's own cabin!

Not everyone in the party fishes? The nearby Prewitt Creek Inn and the Dearborn Inn have dining and views, and a fly and gift shops. Play a little pool or Scrabble or read on your deck. Or:

-Hike the famous Tower Rock area along the Lewis & Clark Trail or attend one of the bicentennial festivals all across the area;

-Hunt big game or upland birds or waterfowl in the 3300 elevation;

-Float guided fishing or sight seeing trips;

-Hike across the elliptical trail, beaver and muskrats.

-Vander the river roads and trails on motorcycle or horseback;
 -Side the rail; 1/2 like guests from Sweden who come for the sport;
 -Cross country ski or snowmobile;
