Michael Ray Mayo Construction can do just about anything that you might need or want to have done to your home. We take pride in doing every project no matter the size. We treat other people's houses like they are ours. I am insured and have all kinds of references and pictures from past projects. We do flooring (wood and tile). siding of all types, roofing of all types, door and window installation, framing, deck building, kitchens and bathrooms. Just give Michael a call at for a quick free estimate usually done in 48 hours after shown the project.

Thank you for considering us,
Michael Mayo
