<http://www.vttechhelp.com>

Vermont Technical Help serves all of Vermont and New Hampshire. All equipment is brand new and comes with a 1 year guarantee. Many different packages/prices available to meet your budget. Basic systems are either indoor or outdoor at 700TVL (high resolution). They include the cameras, DVR and necessary cabling.

4 camera system installed \$1095 With LCD Monitor \$1190
 8 camera system installed \$1450, With LCD Monitor \$1640

All prices include basic installation with up to 60ft cable per camera.

Bigger systems are also available up to 16 camera. These systems are more "industrial" and offer more features such as the ability to burn directly to DVD on the DVR.

Though more expensive, PTZ (pan, tilt, zoom) cameras are available.

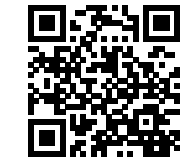

All systems record directly to a Hard Drive inside the DVR. The cameras are viewable either on PC or on your smart-phone (android, iphone or blackberry).

Basic systems required a wireless camera, a computer or tablet and a hard drive. Additional to connect to a router/modem and follow additional camera installation. We have installed systems in restaurants, retail stores, homes, manufacturing facilities, hotels and inns and homes.

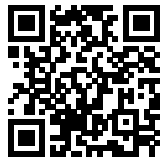

We order your equipment at the time you place your order and put down your 50% deposit. The balance is paid at the time of installation. From the time you place your order, it takes up to 2 weeks for your equipment to arrive. We are currently scheduling installs up to 3 weeks from the date of your initial deposit. Install times may increase as orders increase.
