Since I have owned it I have only put about 4,000 miles on it, it has been sitting indoors.

My third Miata (previously owned a 95 M edition, and 94 M edition)

Bought as a summer/weekend car in 2013, but with my occasional track habit, I can't justify doing that to this nice of a Miata.

Would like to keep it, but I'd rather pass it on to someone who can preserve it. I honestly don't even drive it.

Asking \$8250 or best offer. Clean title

If you are serious, please don't hesitate to get in touch with me.

No lowballers, I know what I have.

Car is being stored at my parents house in Glen Ellyn IL.
