Seeking someone to power wash and then stain a deck using deck over. Size of deck is 12 x25. Would prefer someone who has worked with Deck Over in the past, and has experience working on decks. Would like job completed ASAP, will pay cash. Please email your price for job, contact information and when available. Job is located in Baltimore County. If this job goes well I have a couple other people looking for same service. Will only contact those who have furnished the requested information. I will supply the stain, you need your own power.
