I am rehomeing my 1yr old Pom A Poo (dad is a AKC Pomeranian and mom is also a pure bred poodle) she is very playful and loving, looking for a good home who will keep her as part as their family. She is a beautiful blue and white parti who is a low, low shedder (almost nothing at all). She weighs in at 4#'s, can be a tiny bit timid and standoffish at first but quickly warms up, not a problem barker, has her tail and dew claws removed and the softest fluffy coat. Serious inquires only, there is a rehoming fee of 250.00 for what I have invested in her. Please do not call/text me for multiple pictures, if you are interested in seeing her you will come see her in person. Thanks for looking! two 0 eight 7 eight 0 nine 4 four
