Cleaning out things we haven't used, so weeded out a couple of harnesses we no longer need laying around..... All 3 are new/never used. They are for small breed dogs, even the size L....The size *L* is not what you'd think a L to be. The Large's are too big for my 10 lb dog, so I am guessing they would fit a bigger *small* dog, approx. 15-18 lbs.(?), but still not real big. The only size Medium is the black with pink pawprints.

The pink sparkle one is a size L

The soft light pink plush one is size L

3.The Black with deep pink pawprints is size M

From a smoke free home.

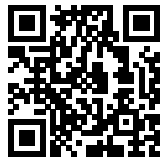

Asking \$3 Each.....

Call Debbie at 939-2036....phone calls only. I am located off of Hwy 55, approx. 4 miles north of State St.
