

2003 Mazda 6 Blown Engine Update (600 USD)

Location

Michigan

Selling a 2003 Mazda 6 with a blown engine. 3.0L V6 sport package, bose speakers, black interior, no rust, dented on rear quarter panel, rear bumper clear coat is peeling. Everything else worked great until engine blew.

Selling for \$600 firm. Need it sold and towed from a mechanic shop by Tuesday morning otherwise its getting donated to mother waddles. I have no other pictures and will not take any since it is at a shop.

Lets not waste each others time, serious buyers only.

Thanks,
