Orbea Terra Carbon Cyclocross Bike

57cm

This bike is perfect for Road, Cyclocross, and Gravel.

Brand New Sealed Brake and Shifter Cables installed. New Bar Tape. New Tires

I tried to take a picture of the chain suck. It is through the clear coat, but not into the carbon under.

I will trade for a full suspension mountain bike. Let me know what you have.

Shifters: Ultegra 6700 2x10

Derailleurs: Ultegra 6700 2x10

Crankset: FSA Gossamer BB30, 50x36t Compact. 42t Single ring is available

Brakes: FSA SLK Cantilever

Bars: Shimano PRO 44cm

Seatpost: Orbea Carbon
