Call or text us now to inquire about servicing your AC or furnace for \$65 service/diagnostic charge. We can charge your freon for \$45 a pound or \$120 max. We can replace thermostats, flame sensors, igniters, coils, condensers, blower motor, fan motor, capacitors, etc, Avoid calling the big companies as they charge way too high. We are a very small shop with low overhead so are able to charge as much as 30% less than the standard rates to repair or install anything hvac related. We can install ac units/furnaces etc.
