I'm moving out and need the yard to look nice for the owners. It hasn't really had much work done yet this year. Both front and back need some love. The front isn't too bad (just needs some raking and a quick mow), but the back needs raking (leaves and sticks) and mowing. It's patchy but pretty overgrown. I need this done before April 30. Please e-mail or text me your rates. Please no calls! Reply to this ad or text Sondra at
