We bought this to maximize space in a small bedroom and it worked great! This sturdy functional full size black lofted bed features full length guard rails for safety and durability also has built-in side ladders for convenient access. Underneath the lofted bed is a desk with a keyboard tray, offering the perfect place for a computer. A large shelf above the desk provides room for decorative items, books, and study materials. A great space saving piece of well-made furniture your child can grow with and even take to college! No box springs needed, mattress not included. 80"L x 58"W x 72"H. Regular price online over \$1000, asking \$450. Cash Only. Please include your name and number to discuss further. Serious inquiries only and will not.
