Whats up. Im looking for people to jam/ start band with or join band. Im 19, and been playing guitar for awhile, i have my own gear. I can play alot of different stuff, im kind of versatile. Im mostly into heavy stuff, my favorite 2 bands are Alice In Chains and Korn. Im into heavy metal but also into playing older classic stuff like Zeppelin, floyd, and sabbath. Id like to find some people that know alot of music and really like the vibe of rocking out. Id like to find someone good on drums and bass. I could be ready to play shows with just a little practice as ive been having a hard time finding the right.
