TV tech Help needed (Hawk Point)

Location **Missouri**
https://www.genclassifieds.com/x-376974-z

I am a senior, with technical difficulty!
Recently had to start my life over, and relocated to Hawk Point. I took my TV & TiVo, but can't seem to hook it up right.
I haven't seen tv in over 3 weeks.
I've only managed to view old recordings on the TiVo. It's getting old. I could really use some technical help. Please respond if you have time,.
