Our drummer is retiring soon from our variety band, so if you're an experienced percussionist who wants to play 45 or more weekends per year, give us a shout. Hope to attract a singing drummer who wouldn't mind relocating. We're a 5 piece band plus soundman (two gals - three guys). We like to practice once a week and we do country (old and new) 50s and 60s classic rock, patriotic, gospel etc. Playing in a 150 mile radius that includes four casinos. Our schedule is filling for 2016 and we're hoping to hear from you. Please call for more info.
