Hello amigos,

I am a native SPANISH ONLINE TEACHER from Peru and I have more than 15 years of experience. Now you can SAVE money without spending in books or gas and save your commuting time. I use in class a totally FREE Multimedia course, Flash Cards, Audio files, Grammar exercises, Readings and we practice Speaking all the lessons. Lessons are one hour each time and you can choose the frequency per week you prefer. My schedule is very flexible, including weekends and I am happy to work with any age and level. Lessons are just \$12/hr per student.

I can also give you a short FREE lesson trial at request and references are available. Send me an email here to contact me or send me a message to my skype juliofriend and I will reply immediately.

Hasta la vista,
Julio
