Hey! Name is Zach Bell. I am currently looking to help my friend build his photography portfolio. We are doing summer/winter theme pictures which include Bikini shoots or underwear shoots also. All pictures are used for his portfolio or for editing. Our pictures are not published without consent to be published with signature. My photographer would like me to help him find female models who are dedicated and willing to be a model. Ages 16 and up would be appropriate for these shoots. We provide transportation for those in need. If you need more info or our interested our list is getting very short. Auditions will be held for those who contact me. Please text me only because of my busy schedule im mostly on my phone and will probably not get your call. Text me please at Pay varies 200-1000 a shoot looking for three shoots a.
